STEP 3: Verify the course title and *click >> Continue*.

The screenshot shows a 'Start a Course' dialog box with a close button (X) in the top right corner. Below the title is a section for 'Enter PIN' with a text input field containing the PIN 'BF033_BLD_4676738025'. A red watermark 'SAMPLE PIN ONLY' is overlaid on the PIN. Below the input field, there is a paragraph: 'Don't have a PIN? You have to obtain a PIN from a distributor to start a course. [Click here for a List of Distributors.](#)'

Below this is a section titled 'PIN Successful'. It states: 'This is a PIN for **Pipeline Construction Safety Training**. If this is not the course you wish to take, please stop here and check with your Distributor.'

At the bottom of this section, there is a checked checkbox next to the text: '**Pipeline Construction Safety Training** is the course I wish to take.'

At the bottom of the dialog box, there is a dark red button with a white arrow pointing right. The text 'CLICK HERE' is written in white on the arrow, and the word 'Continue' is written in white to the right of the arrow. A mouse cursor is hovering over the 'Continue' text.

BuildForce E-Learning
Welcome to the **BuildForce E-Learning Centre**.
BuildForce Canada is a national organization committed to the development of a highly skilled construction workforce. One of our ongoing programs is the development of online courses.
All of our online courses are administered through local distributors. In order to access any of our courses and complete your registration, you must contact a distributor to receive a course PIN number. To locate a distributor go to the [Find a Distributor](#) page for the full list of our distributor partners.
Once you have a course PIN number, select the **"Click to Register or Enroll"** button on the Learners tile at the right.

STEP 3: *Click >> Enter.*

The screenshot shows the BuildForce Canada website interface. At the top left is the logo. To the right are navigation buttons: "Courses", "Find a Distributor", "Catalogue", "Help", and "Contact Us". A language dropdown is set to "English". The main content area is split into two columns. The left column, titled "Overview", contains text about the course's purpose and a link to download a fact sheet. Below this is a photograph of a pipeline construction site. The right column, titled "Your Progress", shows an "Active" status and a button labeled "CLICK HERE" with a red arrow pointing to an "Enter" button. A "Transcript" button is also visible.

STEP 4: *Click >> Launch.*

The screenshot displays the course launch screen. On the left, there is a video player with the title "Pipeline Construction Safety Training" and the BuildForce Canada logo. Below the video is a "Please Note" section with a disclaimer. On the right, there is a video titled "Important Instructions" with the subtitle "HOW TO SAVE YOUR WORK". Below this is a video player with a play button and a "03:15" timer. At the bottom center, there is a "CLICK HERE" button with a red arrow pointing to a "Launch" button. The text "Click on the Launch button to continue." is positioned above the "Launch" button.
